An Aldridge Community Academy 

Teacher of Mathematics

Darwen Vale High School
Blackburn Road, Darwen,
Lancashire, BB3 0AL
Principal: Mr Matthew Little
Tel: 01254 223000
Email: contact@darwenvale.com

11- 16 Aldridge Community Academy. 774 on roll

Teacher of Mathematics

Full-time, permanent. Required for September 2019

Salary negotiable

Darwen Vale High School is an Aldridge Academy and as such, part of the national multi academy trust. At a more local level we are part of the North West Cluster of schools that includes 2 other secondary schools and 1 primary school.

We have outstanding facilities and in September 2012 the school moved into its award winning new school building which retained the iconic frontage of the old Grammar school whilst providing state-of-the-art modern facilities.

In our Ofsted inspection in November we were judged to be RI. This matched our own self-evaluation. The Ofsted team commented, "Leaders, Governors and the trust are taking appropriate action to change the direction of the school."

As our numbers grow, we need an inspirational Teacher of Maths to deliver high quality lessons to pupils across years 7 -11. There is the opportunity to teach A Level or primary at our partner schools within the cluster.

Applications are welcome from both NQTs and experienced teachers. Salary negotiable depending on experience and skill set of the successful applicant.

We can offer:

State of the art modern facilities.

Great location; straight off Junction 4 of the M65 and within a 30 minute commute for most places in Manchester and Lancashire.

Outstanding CPD opportunities, including working with a partner school (DACA) that leads on North West Maths Hub 2 raising attainment.

Closing date for applications is: Monday 14th January 2019. Interviews TBC.

If you would like to discuss the position further, please contact Mr M Little on 07930 451881

Aldridge Education is committed to safeguarding and promoting the welfare of children and young people. References will be taken up for all shortlisted applicants, and successful candidates will be subject to satisfactory enhanced DBS disclosure from the Disclosure and Barring Service.
