

February 2020

Dear Parent/Carer

Year 11 – February Half Term Revision Classes 2020

It is hard to believe that we are moving rapidly towards the final GCSE examinations and I would like to take this opportunity to thank you for your support throughout this year. I am pleased to confirm that as part of our drive to prepare and support all pupils in the run up to examinations we are running half term revision classes.

The revision sessions are focused on GCSE examination preparation and the timetable for the day can be found at the foot of this letter.

All pupils are free to attend sessions. School uniform is not required, however, exemplary behaviour is expected throughout. Students can bring a packed lunch for the longer sessions or if the subject teacher allows they may get lunch in the outlets in the local community.

On arrival students should sign in on registers which will be found in the school reception area. At the end of the day students should sign out in the same area.

May I take this opportunity to thank you all again for your continued support at this crucial time.

Yours sincerely

V Sterland
