

Impact of the COVID-19 pandemic on the data we publish

Due to the impact of the COVID-19 pandemic, most exams and assessments did not take place in 2019/20 or 2020/21. As a result of this, the government announced that it would not publish school or college level results data in autumn 2020 or autumn 2021.

Information on what this means for the way school and college accountability will operate for 2019/20, 2020/21 and 2021/22 can be found here (<https://www.gov.uk/government/publications/coronavirus-covid-19-school-and-college-performance-measures>).
