

16th March 2023

Dear Parent/Carer,

I am pleased to inform you that our Saturday School for Maths, English and Science will continue over the Summer Term, with the next block of sessions starting from 22nd April 2023 which will be held from 9.00 – 1.30, every week. This block of sessions will run up to and including 10th June 2023 as detailed on the second page end of this letter.

This intervention provides your child with small group support and is completely free of charge. The sessions are a proven success which can be seen from our GCSE results from the last academic year. Gaps of necessary knowledge caused by the many lockdowns will be filled by this intervention. The aim is to assist and guide the pupils to achieve and exceed their target grades when it comes to sitting their mocks and GCSE examinations.

We will be focusing on specific areas and bespoke intervention, working at their pace to ensure all key points are covered. This will build their confidence in Maths, Science and English and in turn maintain their motivation for their upcoming GCSE's. Pupils should take advantage of our Saturday School offer as this kind of provision is only usually offered in private settings and if purchased privately, could be up to £40 an hour.

Students do not need to wear uniform and the sign at the entrance will indicate which room to attend. It is important students sign in and out at the entrance for fire health and safety reasons.

For Maths and Science, students are welcome to attend any of the sessions which are suitable for the tier of exam they will be sitting. The Maths drop in session is for any students who have any questions or topics they are struggling with. For English student are welcome to attend any session.

We look forward to seeing your child at these sessions and appreciate your support, if you would like any further information, please email us at lydia.boffey@darwenvale.com (Maths), DHayes@darwenvale.com (English) or sophie.marsland@darwenvale (Science)

Yours sincerely,

Miss Price, Miss Hayes and Mrs Marsland

Assistant Principal – Maths/English/Science

DARWEN VALE HIGH SCHOOL

An Aldridge Community Academy
